Lesson \_\_\_\_\_

What to look for on the DVD:

- Math-U-See Strategy:

- Vocabulary:

- Notes about Math-U-See Lesson:

At least once per class, watch each student work through one complete problem (Teach It Back):

**1. Build It**

“Show me with the blocks.”

**2. Write It**

“Write down the problem and the answer.”

**3. Say It**

“Explain the problem and how you got your answer.”
